LABOUR DEPARTMENT

The 20th April, 1972

No. 4214-4Lab-72/15955.—In pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (Act No. XIV of 1947), the Governor of Haryana, is pleased to publish the following award of the Presiding Officer, Industrial Tribunal, Haryana, Faridabad in respect of the dispute between the workmen and the management of M/s Hyderabad Asbestoess a Cement Products, Ballabgarh :—

BEFORE SHRI O. P. SHARMA, PRESIDING OFFICER, INDUSTRIAL TRIBUNAL,
HARYANA, FARIDABAD

Application No. 7 of 1972 under section 33-A of the Industrial Disputes Act, 1947

between

SHRI SUMER CHAND MODI AND THE MANAGEMENT OF M/S HYDERABAD ASBESTOES CEMENT PRODUCTS LTD., BALLABGARH

Present: —

Nemo, for the workman.

Shri P. R. Somani with Shri S. N. Bhandari, Advocate, for the management.

AWARD

Shri Sumer Chand Modi, a workman of M/s Hyderabad Asbestoess Cement Products Ltd., Ballabgarh, has brought this complaint under section 33-A of the Industrial Disputes Act, 1947, with the allegation that with a view to victimise him on account of his trade union activities the management has transferred to Cuttack at a distance of 1,400 miles from his present place of working at Ballabgarh. According to him the impugned action of the management in transferring him to such a distant place is tantamount to alteration of the conditions of his service which the management was not competent to do during the pendency of reference No. 87 of 1971 between the management and the workman and hence this complaint as contemplated under section 33-A of the Industrial Disputes Act, 1947. He has prayed for the setting aside of the aforesaid order allegedly passed by the management in contravention of the mandatory provisions of section 33 of the Act.

Notice of the complaint was given to the management. The management has contested the complaint on merits pleading *inter alia* that since the aforesaid reference No. 87 of 1971 is bad in law. There is no pendency before this Tribunal and as such the present complaint is not maintainable.

The case was fixed for the filling of the rejoinder by the workman to the written statement of the management but he has not turned up today nor is he represented by any duly

authorised person. The question of the validity of the reference has been brought under issue in the main reference and has to be decided therein. However, since the concerned workman (complainant) has not turned up nor filed any rejoinder to the pleas raised on behalf of the management, the presumption is that he is not interested in the present proceedings and that being so the complaint stand to be dismissed for the default of appearance of the complainant and I order accordingly. In the circumstances, there shall be no order as to costs.

The 10th April, 1972

Presiding Officer,
